Counts Real Estate Group, Inc Training Materials

Mobile Agent App Usage

Direct Link: https://countsgroup.com/agent-apps/mobile-app/

Instructions:

The "Mobile App" Resource Page can be found by click on the direct link above, or by navigating to your Agent Apps (www.CountsGroup.com). Click on the Mobile App link in the quick launch area	Search for your name in the Search Box	Once you find your name, click the "Download URL" for your app	
This will take you to your “App Deployment Page” Input a phone number or email address to send your app to *(Example: 8507087835 or IT@countsrealestate.com)* Click “Send the App” button	You will get a notification that the link successfully sent:	
Tell your customer to click the link in the text message or email they received, and this will take them to their App Store or Google Play Store to download and install the app 😊!
